

Weaver's West Online Report

(In Lieu of General Meeting)

January 8, 2021

Due to Covid-19, the Recreation Center Board has put a ban on large group indoor meetings, so we were unable to hold our January General Meeting. Instead, we wanted to send out this report to keep all members abreast of what is going on.

Officer Reports

Co-Presidents: Karen Vincent and Mary Wilder reported:

Karen Vincent thanked Diane Conery for her service as Co-President. A warm welcome is extended to Mary Wilder who replaces Diane as Co-President.

An email was sent to all members reminding them to refrain from coming to the Guild if they are feeling sick. Members who traveled for the holidays should stay home for 10 days upon returning to Sun City West. Members who had family or friends visit over the holidays should quarantine for 10 days after their visitors departed.

Most of the Committee Chairs for 2021 have been filled. The Board discussed combining the Newsletter and Publicity Chairs into one position as both committees cover the same information. This position has now been filled by Cynthia Geyer-Goering, a new member.

SELLING WEAVING ITEMS: We wish to remind members of the Sales Policies of the Recreation Center. Items made in the Guild, and/or using Guild looms must only be sold in the Village Store, Craft Fair and/or Guild sponsored outside sales. Incidental sales to friends and relatives when they reimburse the member for the cost of the material is permissible. Individual or private selling of merchandise for the express purpose of generating personal monetary gain is prohibited.

Bob's Variety Discount Cards for 2021 in the amount of 15% are in the Monitor's middle desk drawer.
